

THD00605EU | Targus Premium Click-In™ Case for The New iPad®

Targus Premium Click-In cases offer all round protection for your iPad. A hard shell cover clicks securely to your iPad to provide protection to the back and sides, whilst a durable front cover with super soft interior lining protects your iPad screen. Magnetic closure on the front cover immediately wakes up your iPad and then shuts it down after use, whilst an integrated stylus loop allows you to securely store your stylus after use. The front cover folds back to form a hands free stand for easy viewing and comfortable typing. Premium Click-In cases also ensure that you are able to access to all ports, features and functions of your iPad whilst it is still inside the case.
